## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Inland Leaders Charter Schools  
Yucaipa, California

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Inland Leaders Charter Schools (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of the School as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The accompanying supplementary schedules, as identified in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated November 8, 2021 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

The School is a nonprofit benefit corporation under the laws of the state of California for the purpose of managing and operating public charter schools located in Yucaipa. The School is economically dependent on state and federal funding.

The School commenced operations in the 2007-2008 school year and currently serves approximately 1,000 students in kindergarten through grade 8.

The mission of the School is to provide a state standards aligned curriculum aimed to serve a population of students who were formerly served primarily through home school and private schools, in a small site-based environment using a creative schedule, with an emphasis on family and student leadership training.

The School may be revoked by the Yucaipa-Calimesa Joint Unified School District for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

**Cash and Cash Equivalents**

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

**Basis of Accounting**

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

**Functional Allocation of Expenses**

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

**Basis of Presentation**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Net Asset Classes**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Accounts Receivable**

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2021. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

**Property, Plant, and Equipment**

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset.

**Property Taxes**

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

**Investments**

Investments are recorded at fair market value. Both unrealized gains and losses from the fluctuation of market value and realized gains and losses from the sale of investments are reflected in the statement of activities if they are material.

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Compensated Absences**

Accumulated unpaid employee vacation benefits are recognized as a liability of the School. Employees of the School are paid for days or hours worked based upon board approved schedules which include vacation.

**Revenue Recognition**

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

**Contributions**

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**Conditional Grants**

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2021, the School has conditional grants of \$1,361,513 that have not been recognized as revenue in the statement of activities because conditions have not been met. As of June 30, 2021, the School has received conditional grants of \$92,480 that are recognized as deferred revenue in the statement of financial position because conditions have not yet been met.

**Income Taxes**

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes.

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Income Taxes (Continued)**

The School files an exempt return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

**Evaluation of Subsequent Events**

The School has evaluated subsequent events through November 8, 2021, the date these financial statements were available to be issued.

**NOTE 2 CONCENTRATION OF CREDIT RISK**

The School maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

**NOTE 3 PROPERTY, PLANT, AND EQUIPMENT**

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The School capitalizes all expenditures for land, buildings, and leasehold improvements over \$15,000 and for equipment in excess of \$5,000. Depreciation expense was \$25,946 for the year ended June 30, 2021.

The components of property, plant, and equipment as of June 30, 2021 are as follows:

Land	\$ 289,295
Construction in Progress	27,397
Leasehold Improvements	331,024
Total	647,716
Less: Accumulated Depreciation	(233,863)
Total Property, Plant, and Equipment	\$ 413,853

**NOTE 4 INVESTMENTS**

Investments at June 30, 2021, are stated at fair market value and consist of the following:

Certificates of Deposit (Level 2)	\$ 3,240,488
Total	\$ 3,240,488

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 4 INVESTMENTS (CONTINUED)**

In accordance with FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, Levels 1 through 3 have been assigned to the fair value measurement of investments. The fair value level of measurement is determined as follows:

*Level 1* – Quoted prices in an active market for identical assets.

*Level 2* – Quoted prices for similar assets and market-corroborated inputs.

*Level 3* – The School’s own assumptions about market participation, including assumptions about risk, developed based on the best information available in the circumstances.

The School’s investments are classified as Level 2 in the fair value hierarchy because Certificate Deposits are not traded on the open market.

Investment activity for the year ended June 30, 2021, consisted of the following:

Interest and Dividends	\$ 66,270
Unrealized Gain on Investment	(46,749)
Total Investment Income	<u>\$ 19,521</u>

**NOTE 5 LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures are comprised of the following as of June 30, 2021:

Cash and Cash Equivalents	\$ 6,788,330
Investments	2,213,784
Accounts Receivable - Federal and State	3,216,294
Accounts Receivable - Other	15,898
Less: Net Assets With Donor Restrictions	(1,892)
Financial Assets Available for General Expenditure	<u>\$ 12,232,414</u>

As part of the School’s liquidity management plan, the school invests cash in excess of daily requirements in short-term investments, CDs, and money market funds.

**NOTE 6 EMPLOYEE RETIREMENT**

**Multi-Employer Defined Benefit Pension Plans**

Qualified employees are covered under multi-employer defined benefit pension plans maintained by agencies of the state of California.

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 6 EMPLOYEE RETIREMENT (CONTINUED)**

**Multi-Employer Defined Benefit Pension Plans (Continued)**

The risks of participating in these multi-employer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if the School chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. The School has no plans to withdraw from this multi-employer plan.

**State Teachers' Retirement System (STRS)**

Plan Description

The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2020, total STRS plan net assets are \$283 billion, the total actuarial present value of accumulated plan benefits is \$405 billion, contributions from all employers totaled \$6.1 billion, and the plan is 67.1% funded. The School did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and [www.calstrs.com](http://www.calstrs.com).

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for the year ended June 30, 2021 was 16.15% of annual payroll. The contributions of the plan members are established and may be amended by state statute.

The School's contributions to STRS for the past three years are as follows:

<u>Year Ending June 30,</u>	<u>Required Contribution</u>	<u>Percent Contributed</u>
2019	\$ 649,246	100%
2020	711,649	100%
2021	722,820	100%

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 7 OPERATING LEASES**

The School leases facilities and equipment under several lease agreements where the last lease expires in June 2025. Lease expense under these agreements for the year ended June 30, 2021 was \$126,645.

Future minimum lease payments are as follows:

Year Ending June 30,	Amount
2022	\$ 104,308
2023	85,698
2024	77,578

Total	\$ 335,271

**NOTE 8 RELATED PARTY TRANSACTIONS**

Inland Leaders Foundation is a nonprofit public benefits corporation organized for the specific purpose to raise funds for the benefit of the School and its related activities. For the year ended June 30, 2021, the Foundation made contributions to the School totaling \$7,445.

Medi-Cal	\$ 1,892
Total Net Assets With Donor Restriction	\$ 1,892

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose of by occurrence of the passage of time or other events specified by the donors as follows for the year ended June 30, 2021:

Release of Restrictions	
Subject to Specific Purpose	\$ 8,596
Total Release of Restrictions	\$ 8,596

**INLAND LEADERS CHARTER SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021**

**NOTE 10 FUNCTIONALIZED EXPENSES**

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function(s). Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes which were allocated on the basis of estimates of time and effort. Additionally, management fees, office expenses, information technology, depreciation, occupancy, insurance and other expenses, were allocated on a square footage basis.

**NOTE 11 CONTINGENCIES, RISKS AND UNCERTAINTIES**

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

In the prior year, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. Subsequent to year-end, the COVID-19 pandemic continues to have significant effects on global markets, supply chains, businesses, and communities. Specific to the School, COVID-19 may impact various parts of its 2022 operations and financial results, including, but not limited to, loss of revenues, additional bad debts, costs for increased use of technology, or potential shortages of personnel. Management believes the School is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing.

FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Inland Leaders Charter Schools  
Yucaipa, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Inland Leaders Charter Schools (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated November 8, 2021.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

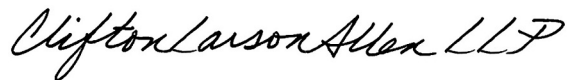

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
