2		3		Fresh Salad Bar Daily: THIS INSTITUTION IS A EQUAL OPPORTUNITY PROVIDER ILCS Kitchen provides a variety of fresh fruits and veggies for each campus. We strive to give our kids fresh and healthy options daily, to help our kids minds and body grow. We are offering apples, oranges, leafy greens, celery, carrots, edamame, kiwi, broccoli, and so much more. Almost all of our salad bar items are chopped daily. We do carry a meat alternative for those who do not wish to eat our main coarse. Our edamame is a veggie but also a good source of protein for those needing more protein in their diet. Please note that all children will receive a lunch.
